Office Order

Implementation of Student Induction Programme

It is Certified that the Students induction programme has been organized for the newly admitted students in the institute. They have been introduced to the environment of the institution. All faculty members have Participated in the programme and the new students have been made to learn about the institutional policies, processes, Practices, culture and values. They have been made aware of the departments, laboratories, Library, workshop & Hostels etc.

They are instilled to adjust and feel comfortable in the institutional environment.
